Greening Government Goals
August 31, 2006

Department of Revenue (DOR) Greening Committee:

Cindy Lombardi (AFS)
Cindy Wunderlich (OSSE)
Nancy Trontell (Lottery)
Sylvia Labrucherie (MV/MCS)
Leroy Sedillos (ITD)
Cindy Koke (CDO)
Nestor Lujan (MV)
Roger Thomte (AFS)

The greening committee has identified the following goals for the DOR.

Environmentally Preferable Purchasing (EPP) Inventory

- Increase purchase of recycled office supplies (currently at 9%), to include recycled paper.

Waste Management / Recycling Inventory

- Encourage dual-sided printing and purchase of dual-side capability in new printers.
- Increase use/purchase of remanufactured/recycled toner cartridges.
- Review reports (hard copy) generated in the DOR – are some obsolete?
- Re-educate employees about existing the recycling program, make more bins available, etc.
- Identify other products that could be recycled (i.e., aluminum).

Transportation / Fleet Operations Inventory

- Review current fleet and identify opportunities to become more environmentally conscientious (i.e., review process, review maintenance/tires, etc.).
- Promote carpooling and use of RTD.

General

- Use ReveNews to promote environmental tips for use at home.
